

WPTCE 2027

2027 IEEE Wireless Power Technology Conference and Expo

July 2-5, 2027 | Chongqing International Expo Center, Chongqing, China

Call For Workshop and Tutorial Proposals

WPTCE is the largest event in the world for wireless power research and industry engagement, covering a wide range of topics, applications, frequencies, and power levels. The event, formally known as Wireless Power Week, combines wireless power school, workshops, conference technical and panel sessions, and a student design competition.

IEEE WPTCE 2027 will host workshops and tutorials in conjunction with the conference, which will take place in Chongqing, China, from July 2 to July 5, 2027. We invite you to submit workshop or tutorial proposals on hot topics related to the research and application areas covered by the conference.

The proposal Call for Workshop and Tutorial Proposals should include the following information:

- Title and abstract (250 words) of the proposed workshop or tutorial
- Event type (workshop or tutorial) and duration (half day or full day)
- Name(s), affiliation(s), contact information and brief biography of the workshop or tutorial organizer(s)
- Speakers list with affiliations and contacts (45-90 minutes per speaker)
- Duration of the workshop or tutorial (full day or half day)

The works presented at the workshops or tutorials will not be submitted to IEEE Xplore for publication. However, accepted presentations will be included in the conference material that will be distributed to attendees.

Workshop or Tutorial Proposal Submission

The Workshop or Tutorial Proposal must be submitted in PDF format to the following email address: wptce2027@wptce2027.org.cn

Please use the proposal template available on the conference webpage.
